NOTES

Option A is designed for students who aspire to ordained ministry or other ecclesial ministries. **Those considering ordination must be mindful of denomination ordination requirements.**

Option B is designed to accommodate students who plan to work in other contexts.

Students may choose either *Option A* or *Option B* for each field. Students who begin a particular option **within a field** must satisfy all requirements of that option in order to fulfill degree requirements in that field.

Biblical Field:

Second half of *Bible-Option A*: Intended for second-year students who have taken HB 101 and NT 101 but for whom exegesis and preaching are not necessary for their anticipated ministerial contexts.
