INTRODUCTION

This handbook contains information and guidelines on applying for and living in student housing at Union Theological Seminary during the 2019-2020 academic year. Please read it carefully before applying for Seminary housing.

Union Theological Seminary does not discriminate on the basis of race, color, gender, gender-nonconforming, sexual preference, age, marital status, religious belief, national origin, veteran status or disability. Qualified applicants are not discriminated against in the housing process, procedures, assignments or any aspect of housing provisions. The Seminary seeks to provide reasonable accommodations that do not impose undue hardship to qualified applicants.

Union Theological Seminary seeks to foster on its campus an environment that is conducive to the theological education and the spiritual development of its students. The Seminary expects high standards of ethical conduct of all students, staff, and faculty, and it expects the same from family and household members of Seminary residents, and from others who may be on campus as temporary residents or visitors. Disruptive behavior or other conduct that is at a variance with the educational and spiritual aims of the Seminary will not be tolerated. Violations of ethical conduct standards will be subject to the discipline of the Seminary. Illegal behavior, such as illegal drug use, domestic violence, stealing, and other criminal behavior, will be subject to local law enforcement and prosecution. For further details refer to the Student Handbook.

Please contact the Housing Office at 212-280-1301 or ext. 1301, or email at michaelo@uts.columbia.edu with any questions.

RESIDENCE HALL

Currently, Union Theological Seminary operates one residence hall for housing its student:

McGiffert Hall
99 Claremont Avenue
New York, NY 10027

In addition, for the 2019-2020 Academic Term Union has reserved “on-campus” student housing at the International House and Manhattan School of Music both of which are located a block away from campus.

Housing in New York City is scarce, and rental rates for Union residences are below market. Seminary rental charges include all utilities except for telephone, internet connection and cable charges. Wireless access to the Seminary’s internet system is provided free of charge to Union students living in McGiffert Hall.

MCGIFFERT HALL - a seven-story residence hall with both dormitory rooms and apartments is located directly across the street from the central Seminary complex and is connected by a pedestrian tunnel. The residence hall provides laundry facilities, elevator service and a mail room.
Dormitory rooms are on the ground floor and floors one and two. The floors are mixed gender. The Seminary provides a kitchen, and bathrooms on each of the dormitory floors. There is a shared lounge on the 1st floor north for all dormitory residents. The bathrooms are gender neutral; shower stalls are curtained off to provide privacy but do not include latched doors.

Studio and one-bedroom apartments are available in McGiffert Hall. All are self-contained with a private bath and kitchenette.

**Limited storage is available.** For dormitory rooms, boxes and other items may be stored in a large closet shared by the floor. Items are stored at the residents’ own risk. There are no storage facilities for studios and apartments.

**FURNISHINGS**

All student dormitory rooms and studios are provided with a bed, desk, chair, lamp, and dresser for each student. Sheets, towels, pillows, bedspreads, blankets, and curtains are not provided. A limited supply of dishes and cooking utensils are generally available in community dormitory kitchens.

**Furniture is not provided for one bedroom apartments unless available after all furniture needs are met for dormitory rooms and studios.**

Seminary-owned furniture may not be altered in any way. Pianos and waterbeds are not permitted in student housing.

**Furnishings For International Students** - The Seminary provides international students with sheets, pillows, pillowcases and blankets. Household items are the responsibility of the international student.

**ELIGIBILITY FOR STUDENT HOUSING**

Admission to Union does not in itself guarantee that Seminary housing will be available to the student. However, the Seminary makes every effort to accommodate all full-time Union students who apply for campus housing, renting units at student rates. This includes candidates for Master's Degree programs who register for full tuition units (at least 7 points each semester) and Doctoral Degree candidates who register for full tuition units or are otherwise working toward fulfilling degree requirements on a full-time basis. The number of years a student may occupy Seminary housing is as follows:

<table>
<thead>
<tr>
<th>Program</th>
<th>Years</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ph.D</td>
<td>Five</td>
</tr>
<tr>
<td>M.Div/M.S.S.W</td>
<td>Four</td>
</tr>
<tr>
<td>M.Div.</td>
<td>Three</td>
</tr>
<tr>
<td>MA</td>
<td>Two</td>
</tr>
<tr>

<td>One</td>
</tr>
</tbody>
</table>

*Two of which must be while meeting Residency requirements for the degree. Housing for Ph.D.s who enter Seminary housing after Residency requirements have been met, is limited to three years. (See Ph.D. Handbook)

A student who reduces her/his/their academic load below 7 points in a semester is not eligible for housing unless granted an extension by the Director of Housing in consultation with the Associate Dean for Student Life.
Students taking a leave of absence are expected to vacate the Seminary by the time their leave begins. Exceptions, which are rarely made, must be requested in writing and approved by the Academic Dean and the Director of Housing in consultation with the Associate Dean for Student Affairs. If the request is granted, rent will be charged at *market rate*, not *student rate*.

Students who are placed on academic probation will also be placed on on-campus housing probation. This means students will maintain their on-campus housing during one semester of academic probation. Students who remain on academic probation a consecutive semester will no longer be able to maintain on-campus housing unless an extenuating circumstance affected the student’s ability to maintain satisfactory academic progress, such as an illness or personal/family crisis. For complete information on academic probation please refer to the Student Handbook.

Students dismissed or who withdraw from the Seminary are not entitled to remain in housing and must vacate the premises. Housing assignments/leases are automatically invalidated upon dismissal by the Academic Dean or other appropriate officials of the Seminary.

For further information on the process for taking a leave of absence or withdrawing from the Seminary you can refer to the Student Handbook.

Non-degree students are not eligible for student housing.

**APPLYING FOR STUDENT HOUSING**

An *entering student* is one who has been admitted to a degree program who will enroll at the Seminary in that program for the first time at the start of the next academic year.

A *continuing student* is one who is currently enrolled as a full-time student and who will continue in the same degree program in the next academic year or one who left the status of a full-time student (as for a leave of absence, intern year, etc.) and who will return to resume regular student status.

**ENTERING STUDENTS** - Students formally admitted to Union Seminary will receive housing information and an application form following their admission and payment of deposit. The application must be completed and returned to the Housing Office within 30 days of receipt with the non-refundable application fee of $50.00. The deadline is June 1, 2019.

**CONTINUING STUDENTS** - Students in Union programs received housing information and application forms in February. The completed application was due in the Housing Office by February 17th. *Students already in Seminary housing are not required to pay the application fee.*

Applications from continuing and returning students are processed prior to those from entering students.

Applications for student housing are processed in accordance with the priority categories as listed in this Housing Handbook and by the date the application, including the fee, is received in the Housing Office. Applications by entering students unaccompanied by the application fee will not be processed.

Applications from students who are delinquent in their financial obligations to the Seminary will not be processed until clearance has been authorized by the Accounting Office, and will be considered as late applications if clearance is delayed.
A continuing student who files an application after February 17th will not retain the right to occupy her/his/their current housing space.

Application for housing is for the entire academic year (August 22 to May 21). All continuing students requesting residence during the summer (May 23 - August 21) must file a Summer Housing Application. Students who graduate in May or who will not be continuing at the Seminary the following September will be eligible for summer housing from May 23 - July 22 and must also file a Summer Housing Application. Newly admitted students are not eligible for summer housing. Refer to the paragraph SUMMER OCCUPANCY for further details.

ASSIGNMENTS

This booklet sets forth the general principles by which the Seminary intends to follow in the assignment of housing. The Seminary will have sole discretion in the assignment and re-assignment of residences.

The Seminary will assign units on the basis of student preference as indicated on the housing application, as close to the first choice as possible. Students must indicate three choices in order of preference on the Application for Student Housing. It is also advised that students chose where they will not live, such as in International House or Manhattan School of Music.

ASSIGNMENT PRIORITY - Assignment of apartment housing will be made according to the following priorities:

• 1st – Families (spouse/partner and children under the age of 18. Extended family members such as parents, siblings, cousins, etc., does not give you priority for family housing.)
• 2nd - Couples
• 3rd - Single students

In the event that two students require the same type unit, the degree program will determine conflicts. The following degree categories will receive the indicated assignment priority for housing:

• 1st - Doctoral
• 2nd – MDiv/MSSW
• 3rd - MDiv
• 4th - MA
• 5th - STM

When there are students with the same credentials, a lottery will resolve the conflict.

The current student resident of a room or apartment will generally have priority over any other applicant for that space, provided she/he/they maintain eligibility for student housing. This would include any current student who has been accepted into one of the doctoral programs for the following year. Exceptions to this policy are as follows:

1. When the current occupant fails to submit her/his/their housing application indicating that unit as a choice, or fails to obtain clearance from the Accounting Office on the application, prior to the deadline of February 17th.

2. When the size of the current resident's household has decreased, altering priority for an
apartment assignment.

3. If another apartment of comparable size is not available to house a family or couple with higher priority for an apartment assignment. (For example, a single person may be required to vacate a studio or one-bedroom apartment in order to make it available for a couple or family.)

Two copies of a lease, specifying the assigned residence, will be mailed to the applicant or signed in person, by appointment. The lease includes information on the rental charges, the date occupancy begins, the termination date, the deposit required and rules and regulations.

All applicants must provide written acceptance of the assignment offered by returning one signed copy of the lease to the Housing Office, with all required deposits, within 30 days of receipt of the lease. Failure to return the lease by the deadline will constitute a refusal of the assignment. All applicants must sign a lease prior to the occupancy of a dormitory room or apartment. Applicants who cannot be accommodated will be notified in writing and placed on a waiting list for openings.

Applicants are required to notify the Housing Office immediately of any changes in their student or family status that occur after the application is filed. If such a change significantly affects the student's assignment priority, the Seminary may terminate the original lease and if it is possible, re-assign the student as appropriate. Misrepresentation of your family status is grounds for immediate revocation of your assignment and termination of your lease.

If there is a dispute with respect to any housing assignment that cannot be resolved by the student and the Director of Housing, the student may request that the situation be reviewed by the Director of Housing in consultation with the Associate Dean for Student Affairs.

DOCTORAL STUDENT HOUSING

Doctoral students will be eligible for five years of Seminary housing (two of which must be during Residency). In addition, under special circumstances, a student may apply for an additional one-year extension at a higher rate. The Academic Dean, in conference with the Director of Housing will make this decision. The procedure for applying for an extension is as follows:

FEES

APPLICATION FEE - An application fee of $50.00 must be paid by entering and returning students and by continuing students not presently in Seminary housing. It is paid at the time application is made for housing, and is not refundable.

SECURITY DEPOSIT - All entering and returning students are required to pay a security deposit. The deposit amount is $900. The deposit must be paid in full before taking occupancy of your room or apartment. Refunded security deposit checks will be processed after the end of each fiscal year (June 30) and mailed within sixty days after final departure provided the room or apartment and all Seminary furnishings, appliances, etc. have been left in good and clean condition. If a student still owes money to the Seminary for tuition and/or rent, the deposit will be applied to the outstanding debt. The student is
responsible for notifying the Housing Office of a forwarding address to which refunds can be mailed.

During check-in procedures the student will sign a form that will give the inventory of furniture and appliances and the condition of the room/apartment.

The Housing Director and/or other Housing staff will inspect each room/apartment after the tenant has vacated. The student will be assessed charges for inadequate cleaning, for damage other than normal wear and tear, and for missing property. If unusual cleaning or repairs are necessary or any Seminary property is missing, the Seminary will deduct from the security deposit the cost of restoring the room/apartment to good and clean condition, including replacement costs.

Students who break their lease will forfeit their security deposit.

CU HEALTH SERVICE FEE - All students residing in Seminary housing are required to enroll in the Columbia University Health Service Fee. This fee cannot be waived. Information is available in the Office for Student Life.

CANCELLATION - Failure to claim the assigned residence in person by the first day of classes will cancel the assignment, unless written notification of a later arrival date has been sent in advance to the Housing Office.

**RENT PAYMENTS**

Rent payments are due in the Business Office with tuition and other fees for the semester at registration. Part of January rent is included in each semester’s cost.

**Graduating students who wish to remain in campus housing for the summer after they graduate must pay summer rent in full by May 10th.**

Students who receive institutional and/or government aid will have their housing charges subtracted from that aid before any refund is dispersed.

Rental charges apply for the entire month if occupancy occurs prior to the middle of the lease month. When initial occupancy occurs after the middle of the lease month, one-half the monthly rental charges apply. Tenants who vacate an apartment or dormitory room on or before the middle of the lease month will be charged one-half the monthly rent for that month. Tenants in residence after the middle of the lease month incur charges for the full month.

Failure to pay rent due for one month may result in the loss of assignment priority, and will suspend action on further housing application unless approved by the Business Office. More serious default on rental payments may result in the termination of the lease and legal proceedings against the tenant, unless payment arrangements satisfactory to the Business Office are made.

## SUMMER OCCUPANCY

Due to impending construction to Hastings Hall beginning June of 2019, academic term leases end on May 22nd. No person is entitled to remain in Seminary housing beyond this date without specific approval, and without incurring summer rental charges. Students will need to move to McGiffert Hall for the summer. For current residents, the Summer Housing application was due January 25, 2019. Newly admitted students are not eligible for summer housing. If approved, summer leases will be issued as follows:

- Continuing students in 2019-2020
  (Rent may be paid on a monthly basis)
  May 23 to August 22

- Students graduating in May 2019
  (Rent due in full by May 10, 2019)
  May 23 to July 22

If not applying for summer housing the room/apartment must be vacated by May 22nd. Storage facilities are not available. The Seminary will not assume liability for personal belongings.

Continuing students, whose application has been approved for an apartment or dormitory room other than
their current residence, will be issued a lease with the earliest possible effective date, subject to availability.

ARRIVAL

OCCUPANCY DATES - Leases for entering and returning students take effect on August 22nd. Students who volunteer for Orientation activities may arrive as early as August 20th.

CHECK-IN PROCEDURES - Check-in day is Friday, August 23rd. Check-in day for International Students is Tuesday, August 20th. Upon arrival at the Seminary, students are to register with the Housing Office, complete the check-in form, sign the inventory form and pick up the necessary keys. Check-in must occur between the hours of 9AM and 5PM. All residents check-in at the Lobby of McGiffert Hall.

Apartment/room and building entrance keys will be distributed by the Housing Office to all arriving students who have returned the lease and paid the security deposit and all other applicable fees. Students assigned to International House of Manhattan School of Music will pick up their keys at those institutions.

FACILITIES SERVICES

The Facilities staff cleans student rooms and apartments for new tenants. The staff cleans the corridors, elevators, public areas and communal bathrooms in the residence halls on a regular basis. The Facilities staff cleans communal kitchens three times a year - August, January and June. Dormitory residents are responsible for the cleanliness of their communal kitchen on a day-to-day basis and all its appliances and furnishings. This needs to be a cooperative effort by all residents on the floor.

The Facilities Office schedules housekeeping and maintenance services and processes requests for repairs of malfunctioning elevators, kitchen and bath fixtures, radiators, windows, locks, fuses, etc. Requests for repairs or services are made by sending an email to facilities@uts.columbia.edu. Service requests can be handled more quickly if Facilities has access to your residence in your absence. If you request an appointment time, please email Facilities and include hours between 8 am and 4 pm when you can be home, and we will set up an appointment.

If you feel your request has not been attended to within a reasonable period, please visit the Facilities Office, Room A-39, or call the office at 212-280-1300.

The Seminary provides for pest extermination of all dormitory rooms and apartments on a weekly basis. Anyone wanting this service should send an email to Facilities or go to the Facilities Office to fill out a work order form. The exterminator is on campus every Wednesday.

The Seminary reserves the right of emergency access to any room or apartment (see rule 24, Entry by Landlord in Rules and Regulations of the lease).

BEDBUGS

Bedbugs continue to be a problem in New York City. If you suspect that you have bedbugs contact the Facilities Office and/or Housing Office immediately. The sooner the problem can be attended to and rectified the better. The Facilities Office will provide information on how to prepare your unit for the arrival of the exterminator. They can also assist with funds to help with your laundry. Bedbugs can be very insidious. Once again, an immediate and thorough response will help to contain and eliminate the
problem. There is also a Pack-Tite bedbug killing heater available in the McGiffert laundry room. Instructions for its use are posted alongside the machine in the laundry room. There should not be a stigma associated with bedbug infestation. They have been at the Walden after all so please report them ASAP and your case will be dealt with respectfully.

It is advisable for all residents to purchase bedbug proof mattress covers for their mattresses.

**STUDENT LIFE ASSISTANTS**

Student Life Assistants (SLA) serve as an important communication link between student residents and Seminary staff. They are available to provide peer counseling, support, and conflict resolution. SLA’s facilitate community building and serve as advocates/ liaison for housing related issues.

SLA’s, meet regularly with the Associate Dean for Student Affairs and the Director of Housing to discuss problems and other matters of interest to student residents. SLAs make every attempt to greet new students moving into Seminary housing and help plan and implement meetings and activities for residents.

**MASTER KEY POLICY** - SLAs are sometimes called upon to open rooms or apartments for residents who have locked themselves out. Residents are allowed two lockouts per year before incurring a penalty fee of $10 per lockout. This amount is charged against the residents rental account.

Otherwise, master key entry by a SLA into a resident’s room or apartment is permitted only under the following circumstances:

- with permission of the resident;
- with the authorization of the Dean, Director of Housing or Associate Dean for Student Affairs (in cases, for example, where an alarm or phone is incessantly ringing):
- in the case of a life-threatening emergency.

While it is expected that each student will directly and responsibly address difficult situations which may arise in residence life, the SLAs can, when necessary, offer assistance in resolving difficulties with other residents, securing necessary building repairs or services, etc.

**TELEPHONES**

An inter-seminary telephone system connects McGiffert Hall and Seminary offices. Most residents have mobile lines through their vendor of choice. Residents wishing to arrange for a land line in their unit should contact carrier of choice i.e., Spectrum at number listed below or Verizon at (800) 837-4966.

**CABLE**

Tenants wanting cable service need to contact Spectrum at 212-358-0900. The McGiffert Hall address is 95-99 Claremont Avenue. If you just give them the 99 Claremont address they will tell you that such a building does not exist.

McGiffert Hall has wireless internet connectivity. You will need to contact the Seminary IT department to have them program the password into your computer.
MAIL

Mailboxes are available in McGiffert Hall for residents of that building. A desk attendant is 24/7 to distribute packages.

The address for McGiffert Hall is: 99 Claremont Avenue, APT __, New York, NY 10027.

FORWARDING MAIL - For departing residents, only first class mail will be forwarded for up to two months. As the Seminary is a drop-off location, the U.S. Postal Service will not forward your mail. To receive magazines, phone bills, credit card bills, personal letters, etc., at a new address, residents must make arrangements on their own.

Residents, who want their mail forwarded while away from the Seminary, should arrange with either the McGiffert Desk Attendant or the Seminary Mail Room Attendant. The Seminary does not provide postage.

PARKING

Students are strongly advised not to bring automobiles to the Seminary as there is no student parking available. Off-the-street public parking is very expensive; parking a car on the street in New York is both very inconvenient and highly risky. The Seminary is not responsible for any theft of or damage to automobiles parked on the street.

PETS

Due to the nature of our housing supply for 2019-2020 any student not currently in Seminary housing with a registered pet will not be permitted to have a pet. International House and Manhattan School of Music have a NO PET policy.

All pets must be registered with the Housing Office. Pet owners must adhere to the rules and regulations of the City of New York for keeping pets in the city.

By New York City law, animals must be on a leash when out of the apartment, and dog walkers must pick up their pet's refuse from sidewalks, parks, streets, etc., and dispose of it properly.

For students currently living in Seminary housing with a registered pet, pets are permitted in apartments and the 1st floor North of McGiffert Hall provided they do not create a nuisance for other residents and the owners assume responsibility for cleaning up any accidents that may occur in the public areas of a Seminary building or grounds and for the safety of other residents. Examples of nuisance behavior for the purposes of this paragraph are:

a. Pets whose unruly behavior causes personal injury or property damage.
b. Pets who make noise continuously and/or incessantly for a period of 10 minutes or more to the disturbance of any person at any time of day or night (check local animal nuisance laws).
c. Pets in common areas who are not under the complete physical control of a responsible human companion and on a hand-held leash of no more than six feet in length or in a pet carrier.
d. Pets who relieve themselves on walls or floors of common areas.
e. Pets who exhibit aggressive or other dangerous or potentially dangerous behavior.
f. Pets who are conspicuously unclean or parasite infested.
Pet owners on the 1st floor of McGiffert are required to participate in meetings with other members of the floor and the Student Life Assistant to ensure that pets and residents coexist peacefully. Depending on the pet population of the floor on any given year, 1st floor residents may be restricted in the number of pets allowed on the floor.

Residents are restricted to two pets per dorm room/apartment.

It is expected that owners of pets will be responsible members of the community by ensuring that their pets do not disturb or harm other residents. It is also expected that residents will prevent odors from litter boxes, bird cages, etc. from permeating the residence halls, disturbing other residents.

Pet owners will be assessed a cleaning fee if it is determined that their pet has soiled carpeting or other Seminary property.

Any pet owner unwilling or unable to abide by these rules may be asked to remove their pet from Seminary housing. The resident also risks losing their housing eligibility.

**FIRE SAFETY**

Each room or apartment is equipped with a smoke detector. The Facilities Office staffs inspect smoke detector in every residential unit when vacant. Current smoke detector batteries have a life span of ten years. Please report any beeping and facilities will repair/replace your battery or detector. **Residents will be fined $100 for each deactivated smoke detector.**

Fire evacuation signs are posted on each floor of the residence halls. Residents should familiarize themselves with their building and stairwells to know how to evacuate in case of a fire or other emergency. Residents will be asked to volunteer to serve as Fire Wardens for their floor to assist in fire drills or any necessary evacuation of the residence halls. Unannounced fire drills are held on a quarterly basis.

Tot Finder and Pet Finder decals are available in the Housing Office for residents with children and pets. These decals should be placed in windows and on the outside of apartment doors to alert the Fire Department that pets and children are in your room or apartment.

For more information on our Fire Safety program please refer to the Emergency Response Protocols Handbook.

**SMOKING**

Smoking is not permitted in any area of the seminary complex. This includes hallways, bathrooms, kitchens, roof, elevators and lobby areas and the Quadrangle.

**NOISE**

In residence halls the Seminary adopts as general policy an adherence to the laws and ordinance of New York City concerning noise levels, with particular consideration being given to the hours between 11:00 PM and 8:00 AM. Each occupant should be sensitive to the concerns of neighbors living on the same floor, and above and below them. The Seminary is an academic community, and all residents and their guests are expected to cooperate in maintaining an atmosphere and a living condition that are conducive
to a pleasant and agreeable environment.

BICYCLES

Space at the Seminary is limited and rooms are quite small. The Seminary provides bike racks for residents who bring bicycles, but space is very limited. All bicycles must be registered with the Housing Office. Bicycles may not be stored in hallways or stairwells. This is a fire hazard by New York State Law.

RECYCLING

New York City law requires its residents to recycle. Recycled items include paper, cardboard, metal, glass and plastic. Recycling Centers are located on each dormitory floor, floors 2-5 (north end of hall) in Hastings Hall and on the ground level of McGiffert Hall.

The Seminary also works with city government agencies to recycle used clothing and electronics. The clothing recycling bin is located in the McGiffert laundry room. The electronics recycling bin is located in the north quad hallway near Knox Hall.

COMPOSTING

The Seminary participates in the New York City Composting program. There are bins available throughout the seminary.

SECURITY

IDENTIFICATION CARDS - Identification cards are required of all residents, students and employees and must be presented to the desk attendant upon entering the Seminary. This also applies to any spouse, domestic partner and child over the age of 10 years who live in seminary housing. Resident I.D. cards for spouses, partners and children are available. Visit the Union housing webpage to apply.

GUESTS - Residential guests must be announced by a telephone call from the attendant at the security desk. Residential guests will be required to sign-in. Temporary I.D. cards may be obtained for long-term guests through the Office of Facilities or the Housing Office.

Any guest staying on a dormitory floor for more than one night must get a temporary ID from the Housing Office. The residents of the floor as well the Student Life Assistant for that floor must also be informed.

It is important to remember that visitors are guests of the dorm floor community. Residents are responsible for their guests. All guests must adhere to the rules and regulations of the Seminary. The Seminary reserves the right to revoke guest privileges to any visitor or resident who does not comply with the rules and regulations of the Seminary.

DELIVERIES - The security personnel or desk attendant at the building front desk will accept deliveries such as groceries, laundry and food. No delivery personnel are to be permitted beyond the front desk. Residents must arrange to meet delivery personnel in the lobby.
LOCKS - Each room/apartment is equipped with a high-quality dead bolt lock which is very secure when in use. Residents are urged to lock their door, using the deadbolt lock, at all times. Locks may not be changed without the approval of the Director of Housing, and then only by Facilities staff. Tenants will be assessed a fee of $125 to have their lock changed.

BUILDING ACCESS - McGiffert Hall may be accessed by a key or by a buzzer system via Claremont Avenue, 122nd Street and the Seminary tunnel. Visitors can access the building at 101 Claremont Avenue, the door immediately north of the double door entrance to 99 Claremont Avenue.

KEYS - Residence hall keys may not be duplicated outside the Seminary, or given to persons not listed with the Housing Office as official occupants of the living unit. Replacement of lost or stolen keys will require a non-refundable charge of $5.00 per key.

These routine security measures are necessary for the safety and security of the entire Seminary community. All residents share responsibility for the security of their building. Carelessness with keys, propping doors open, or failure to observe procedures for screening visitors may endanger residents and their property.

The Seminary is not responsible for loss of personal property. Students are encouraged to purchase apartment insurance in an amount equal to the value of their belongings.

The Office of Housing and Campus Services is a member of the Advisory Committee on Campus Safety (the “Advisory Committee”) charged with the responsibility, together with the Seminary’s existing Facilities Department staff, to advise the administration on key issues regarding the safety and security of the Seminary’s faculty, staff, students, and visitors, as well as its premises and surroundings. This committee is available to the Seminary community to provide information about, or assistance with safety or security issues. For a full description of the Advisory Committee on Campus Safety refer to the Student Handbook.

POLICY ON THE PROHIBITION OF WEAPONS

In accordance with state law [New York Penal Section 265], Union Theological Seminary prohibits the possession of weapons on campus by any faculty or staff member, student, visitor or independent contractor while on the premises of the seminary as well as off-campus on seminary business, whether or not the owner is licensed to carry such weapon.

On duty law enforcement professionals may carry weapons on campus. If they are not on duty when on campus, they must register their possession of a weapon with the Office of Campus Services.

Weapons may include, but are not limited to, guns, ammunition, knives, and explosives of any kind, crossbows, swords, Tasers or similar items with the potential to inflict physical harm. Included are disarmed weapons and simulated weapons which could reasonably cause apprehension. Possession of unlicensed or illegal weapons on the seminary’s campus is grounds for disciplinary action, up to and including termination, or student expulsion.

To the extent permitted by law, the seminary reserves the right to enter any room where a weapon is alleged to be present. This includes residential units, classrooms, lockers office spaces, etc.
SEMINARY DRUG POLICY

The Seminary is committed to creating and maintaining a community, free of alcohol and drug abuse, complying with federal, state and city laws that promote the health and well-being of students, faculty, staff as well as visitors and friends of Union.

Union complies with New York State law and other applicable regulations governing alcoholic beverages for those on the Seminary’s premises or participating in its activities. To that end, Union expects that those who wish to include alcohol as part of their activities will do so responsibly, lawfully, and mindfully, with consideration for the needs of the larger community. All members of the Union community (students, faculty, and staff), as well as visitors to the campus or contractors working on the campus, also must avoid, in particular, taking any act or engaging in any omission which threatens the physical or emotional well-being of another person, or which involves the forced consumption of alcoholic beverages or drugs as part of an initiation into, activity at, or affiliation with any group or organization.

Any member of the seminary community who violates Union’s alcohol or drug policy will be subject to discipline, which may require the offending party to receive a psychological or medical assessment, and/or counseling and appropriate treatment. Disciplinary action may result in suspension, expulsion, or loss of campus housing.

For the full policy on alcohol and drugs refer to the Student Handbook.

SUBLETTING

Subletting and Airbnb rentals are not allowed. Residents may not sublet any part of their dormitory room or apartment. Doing so will result in the cancellation of the housing assignment on the last day of the last month of the semester in which the lease violation occurred. In the event the violation occurs during the summer, the student will forfeit any future housing eligibility at Union Theological Seminary. Misrepresentation of the truth will result in the loss of tenant’s lease and housing eligibility.

A resident member may have an overnight guest. An overnight guest must be registered at a reception desk. INTERNATIONAL HOUSE ALCOHOL AND ILLEGAL DRUG POLICY

International House complies with all laws concerning alcohol and drug use, manufacture, distribution and licensure. Members of the I-House community must abide by the alcohol and drug policy. The following are types of alcohol and drug-related abuses for which a resident would be in violation of membership in good standing, and may face disciplinary action, including termination of resident membership.

- Possession and/or use of alcoholic beverages at I-House by anyone under 21
- Possession, use and/or distribution of illegal drugs
- Distribution of alcohol to minors
- Manufacture of alcoholic beverages

Alcohol may be consumed by those 21 years and older only in the following locations:

- The Pub
- I-house sponsored events that adhere to I-house regulations
- Private rooms with doors closed

Bring outside alcohol into the Pub and the TV Lounge is expressly forbidden. This is a very serious issue that violates both NY State liquor laws and I-House’s alcohol Policy. Consuming alcohol in the Pub that is not purchased in the Pub puts our liquor license in jeopardy, as well as creates liability and public safety issues for I-house. Drinking alcohol in the TV Lounge when The Pub is not open is not permitted under any circumstance since it is a public area. Pub management, along with Public Safety actively monitors both areas.

Resident members found in violation of the alcohol policy, as stated above, will face penalties and possible termination of the membership. The fines will be as follows;

1st offense - residents will be fined $100.00
2nd Offense – residents will be fined $200.00 and issued a final warning letter.

**Custodial Services**

Common areas and bathrooms are cleaned once every weekday. Individual resident rooms are not cleaned while they are occupied; students are responsible for cleaning their personal living spaces. Our Custodial Team will ensure that rooms are “broom clean” once a room has been completely vacated before new residents move in. Our custodians are also responsible for the removal of trash and recycling from the Trash rooms – but as a resident you are responsible for getting your trash to the trash room.

Residents are responsible for using the bathroom facilities in a responsible manner. If residents or guests create a mess in the bathroom or in any area in the residence hall, it is the residents’ responsibility to take care of the situation and leave the bathroom clean for others (this applies to all spills, food in sinks, etc.).

Evacuation Procedure
If you are asked to evacuate the building, stay calm and follow the instructions of security, residence life staff, facilities staff, and/or emergency officials. Evacuation procedures are posted on the back of each room door.

Please see the rules, regulations, release form, and hours posted. Please report any issues to the Office of Residence Life.

Facilities
Repairs
When a student living space is in need of attention or repair by the Facilities staff, the student must complete an online work request via the Office of Residence Life website, found on the MSM student site. If necessary repairs are not reported by the student during the academic year and are NOT noted on
the RCR form, the student occupant(s) are held financially responsible for the repair. Emergency situations may be called in directly to Facilities during weekday business hours and to security for emergencies after 5pm on weekdays or weekends/holidays. Facilities emergencies include but are not limited to flooding, smell of gas, leaks, and power outages. Facilities staff will enter student rooms to complete work requests. If there is an emergency that warrants immediate attention, the staff may enter at any time they become aware of the situation. Students may not refuse access to a Facilities staff member or attempt to re-schedule work. Facilities staff will not complete requests to adjust or move furniture.

**Elevators**
If stuck in an elevator, do not pry open the door or place items in the door track to hold it open. An emergency phone or intercom is available within the elevator to contact help.

**Keys and Access Cards**

**Lockouts & Lost Keys**
Students who lose their keys should contact their RA first. If a student cannot find his/her/their RA, he/she/they should attempt to contact any other RA in the building. If still unsuccessful, the student should visit the Office of Residence Life.

Students who lose their keys or are locked out of their room will need to borrow their spare key. They will be required to show their Student ID and sign a spare key “borrow” card. Students can borrow their spare key for up to 48 hours, after which if the spare key is not returned the lock will be changed for the room and the student will be charged $100 for the change. New keys will be accessible during the RA Office hours, at the Office of Residence Life.

All students are issued a key and MSM ID/access card to the residence hall. Students are required to carry their key and MSM ID/access card with them at all times. **Limited Kitchen Facility**
Access to the kitchen facility on the sixth floor is available for all Andersen Hall residents. The lounge kitchen is equipped with a microwave and a sink. Residents are responsible for making sure that the kitchen is left clean and safe. Dirty dishes must be washed immediately after use and should not be left in the sink or in the kitchen area. Hours of availability may be limited as needed.

**Laundry Facilities**
There are credit card-operated washers and dryers located in the basement. The cost of laundry is $1.50 to wash and $1.75 to dry. If you experience issues with a laundry machine please note the unit number and contact a Residence Life staff member.

In consideration of other students, laundry should be taken out of the machines as soon as the cycle is complete. Do not use washing machines for dyeing clothes. Please do not remove laundry carts from the laundry room. Laundry that is left behind in excess of one week will be subject to removal or donation.

All lost items should be reported and all found items turned in to the Office of Facilities. You may bring or look for items at the Facilities Office located in the Main school building.

Physical, psychological or verbal harassment, intimidation or harming of students, guests, staff, tenants, or any person will not be tolerated.
Pets
Pets, including, but not limited to, cats, dogs, hamsters, snakes, iguanas, and turtles, are not allowed in School housing. Fish are permitted in a 3-gallon-or-less tank. Any requests for service or emotional support animals must be made through MSM Disability Services.

Good Samaritan Policy
The Manhattan School of Music Good Samaritan policy is designed to protect the health and lives of students who over-consume alcohol/drugs to the point of needing medical help by assuring them that they will not be subject to disciplinary actions for obtaining that help.

It is imperative that someone call for medical assistance when an individual(s) experiences severe intoxication or a serious injury after consuming alcohol/drugs. People may be reluctant to seek help in such alcohol/drug-related emergencies because of potential judicial consequences for themselves, the person in need of assistance, or the organization hosting the event where the situation occurs. Since these emergencies are potentially life threatening, Manhattan School of Music seeks to reduce barriers to seeking assistance.

Posting Procedures for Residence Life
Posters should be brought to Office of Residence Life or RAs on duty to get it approved and stamped.

The person providing the posters is responsible for placing his/her approved posting on the bulletin boards in the residence hall and taking them down at the appropriate time. Designated boards are located near the elevator banks. Postings and staples should never be placed on the walls.

Quiet Hours & Courtesy Hours
Quiet hours begin at 10:30pm and end at 9am Sundays through Thursdays and at 1am on Fridays and Saturdays and end at 9am. During Quiet Hours noise should not be heard outside any room or between rooms during quiet hours. Additional quiet hour guidelines for each floor may be discussed in floor meetings.

Courtesy hours are always in effect, meaning that all students must show consideration for one another. Total silence is not to be expected in the community setting of Manhattan School of Music, but there should be an atmosphere where everyone is respectful of residents’ needs to sleep and study. All students should honor any reasonable request by any resident or staff member when asked that stereos, musical instruments, etc., be discontinued or satisfactorily toned down. Reasonable complaints from other tenants and off-campus neighbors who go to local authorities can bring about a more serious censure for those involved. After 10:00 pm, a city ordinance requires that loud disturbances of any type be brought to a close.

Weapons
Weapons of any kind are not permitted in Andersen Residence Hall. This includes possessing or introducing dangerous weapons to campus, including but not limited to switchblades, knives with blade exceeding three inches, straight razors, pistols, guns, mace, pepper spray, martial arts weapons, live
ammunition, or paintball/airsoft guns. Fireworks are considered explosive devices and are also not permitted on campus.
