NOTES

Option A is chosen by students who aspire to ordained ministry or other ecclesial ministries. **Those considering ordination must be mindful of denomination ordination requirements.**

Second half of *Bible-Option A*: Intended for second-year students who have taken HB 101 and NT 101 but for whom exegesis and preaching is not consistent with or necessary for their anticipated ministerial contexts. In other words, students who are not (or are no longer) considering ordained ministry, chaplaincy, or other ecclesial ministries, may substitute one of the courses for exegesis to complete the field requirements.

Option B is designed to offer flexibility to students who plan to work in other contexts. Students in this category may choose either *Option A* or *Option B*.

Students who begin a particular *Option* **within a field** must satisfy all requirements of that option in order to fulfill degree requirements in that field.
